Favorite Music: Tina Turner

Favorite Movie: Meet the parents

MOST EMBARRASSING MOMENTS - At Sydney Royal 11 or 12 years ago my horse in the ride and Drive stopped at every fence and it was only 1.20m and there was a huge crowd and everyone was laughing. The good thing was I was also laughing - but I never rode that horse again! Another embarrassing time was when I fell off TWICE at Aachen in 2002!

BEST ADVICE EVERY RECEIVED? - Never Give up.

ADVICE FOR OTHER RIDERS? - Try to learn from every bad experience and see it as good experience for the next time - then hopefully it won't happen again.

Other information

My most successful horse was Dover. He's a Brazilian Thoroughbred. He's a great horse. I can trust him. He knows how I'm feeling. Even when I have not a very good day, he'll do everything to win. I don't compete with him anymore, he is retired.

My best horse today is Winningmood (BWP). He is a special horse. We're starting to form a team now. I have great expectations for him.

I have a good feeling about the forthcoming WC final in Geneva. We'll go there to win. I had a very good indoor season, so I think my chances are pretty good. I also have big hopes for the WEG in Kentucky.

MISCELLANEOUS PERSONAL INFORMATION

Why riding

Hillary grew up with horses in her back yard in New Jersey but she never dreamed they would become the driving force in her life. She was hooked on horses from the time she took her first lesson at age five. She showed locally in the Children's and Junior divisions until high school when she made the commitment to ride at a higher level and went to train with Missy Clark.

When participated at the first international competition

In 2007

and where

Buenos Aires

Most memorable riding story

Hillary won the Swedebank Derby at Falsterbo Show in Sweden with Corlett in 2008, beating some of the best riders in the world - age just 20 she was the youngest winner in the history of this class. Also the youngest rider in the 33-year history of the Hampton Classic Horse Show to win the \$200,000 FTI Grand Prix and FEI World Cup Qualifier - also with Corlett in 2008.

Major sporting awards

Leading Open Jumping rider at the Washington International Horse Show 2008.

Other information

Hillary commutes between Harvard University in Boston and horse shows all across the US East Coast.

Quincy B is only 15.3hh and was an excellent Junior horse but has proven his mettle in the transition to the big time. He is a 14 year old Holsteiner gelding and is owned by the Dobbs Group.
